January 2019

<mark>≱</mark> LATAM

This presentation may include forward-looking comments regarding the Company's business outlook and anticipated financial and operating results. These expectations are highly dependent on the economy, the airline industry, commodity prices, international markets and external events. Therefore, they are subject to change and we undertake no obligation to publicly update or revise any forward looking statements to reflect events or circumstances that may arise after the date of this presentation. More information on the risk factors that could affect our results are contained on our Form 20-F for the year ended December 31, 2017.

Information, tables and logos contained in this presentation may not be used without consent from LATAM Airlines Group S.A.

Amongst the largest airline groups in the world

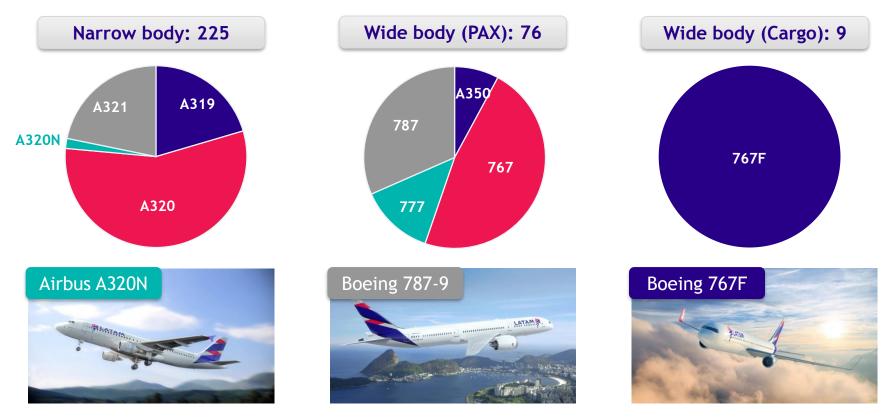

Latin American airlines

Data as of Dec 31, 2017 except for: Emirates, Qatar (LTM March 2018), Qantas, V. Australia (LTM June 2018). Sources: Company's websites, Bloomberg

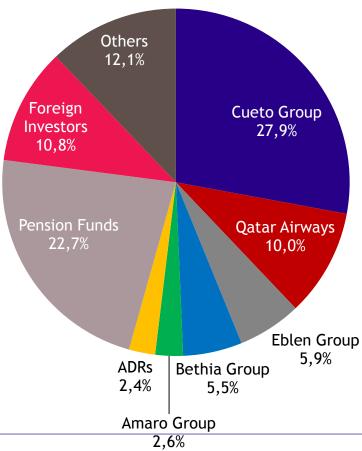

≱LATAM
