**Ref.: Communicates MATERIAL FACT**

Dear Madam:

In accordance with the provisions of Article 9 and the second paragraph of Article 10 of Law No. 18,045, and the provisions of General Regulation No. 30, duly authorized by the Board of Directors in a meeting held on this same date, I inform as a MATERIAL FACT of LATAM Airlines Group S.A. ("LATAM" or the "Company"), to the Financial Market Commission, as follows:

- As reported by means of a material fact dated December 15, 2022, on November 3, 2022, LATAM emerged from its reorganization process in the United States of America in accordance with the regulations established in Chapter 11 of Title 11 of the Code of the United States of America (the "Chapter 11 Proceedings"). Notwithstanding the abovementioned, certain rules of Chapter 11 of Title 11 of the Code of the United States of America, still impose certain obligations to the Company. One of said obligations consists of issuing, as part of the closing of the Chapter 11 Proceedings, on a quarterly basis until the closing of the case, reports called "*Post Confirmation Reports*" ("PCR").
- On June 29, 2023, following the substantial resolution of remaining matters in the Chapter 11 Proceedings and all appeals of the Confirmation Order, the Bankruptcy Court entered a final decree in the Chapter 11 Proceedings and ordered the closing of the case (the "Closing Date").
- By virtue of the foregoing, we make available to your Commission and the market in general, the last PCR with partial information up to the closing Date, which, jointly with the quarterly financial statements of June 30, 2023, was issued today and is included as an annex hereafter.
- The PCR does not in any way replace the financial information that the Company delivers regularly in accordance with the securities standards and/or applicable regulation and has been prepared with the exclusive purpose of complying with the obligations subsequent to the exit of the Chapter 11 Procedure. Without limiting the generality of the foregoing, this financial information does not constitute or replace in any way the delivery of the corresponding financial statements to the Commission and the market, in terms of content requirements, procedures and submission deadlines provided by said service, in current regulations.

Consequently, and notwithstanding the other limitations detailed in the PCR, we hereby point out that the information contained in this report made exclusively to comply with the obligations subsequent to the departure of the Chapter 11 Procedure, has not been audited, has a limited scope and covers a restricted period of time. Therefore, this information is subject and qualified as per to our quarterly financial statements of June 30, 2023, disclosed on this same date, including limited review by external auditors when appropriate.

Regards,

Ramiro Alfonsin B.  
Chief Financial Officer

The Reorganized Debtors have prepared and filed post-confirmation quarterly reports (each, a “PCR”) in the Bankruptcy Court. The PCRs have been prepared with the assistance of the Reorganized Debtors’ advisors and professionals solely for the purpose of complying with the reporting requirements applicable in the Chapter 11 Cases. The financial information contained herein is unaudited, limited in scope, and is not prepared in accordance with accounting principles generally accepted in the United States of America nor in accordance with the international financial reporting standards (“IFRS”) nor in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Although commercially reasonable efforts have been made to ensure the accuracy and completeness of the PCRs, inadvertent errors or omissions may exist. For the avoidance of doubt, the Reorganized Debtors hereby reserves their rights to amend and supplement each PCR as may be necessary or appropriate.

Each signatory to each PCR has relied upon the efforts, statements, advice, and representations of personnel of the Reorganized Debtors and their advisors and professionals. Each signatory has not (and could not have) personally verified the accuracy of each such statement, representation, and answer contained in each PCR.

With respect to the information disclosed in each PCR, presented below, are notes, methodologies and other information to assist the United States Trustee or any other user of the PCRs in understanding the data and information presented. The following notes are presented in the order in which the sections appear in the PCRs.

**Part 1: Summary of Post-confirmation Transfers.** Total cash disbursements include transfers made as part of distributions contemplated under the Plan, as well as post-effective transfers made in the ordinary course of business.

Non-cash securities transferred include New Convertible Notes Class A (Series G Notes), New Convertible Notes Class C (Series I Notes) and New Local Notes (Series F). The value of the New Convertible Notes Classes A and C included in the PCRs is based on the total aggregate principal amount as disclosed in the New Convertible Notes Offering.

#### ***New Convertible Notes Class A***

Pursuant to the Plan, unsecured creditors of LATAM Parent could elect to receive New Convertible Notes Class A in settlement of their allowed Class 5 general unsecured claims against LATAM Parent. Class 5 creditors electing this treatment received USD \$1.00 in principal amount of New Convertible Notes Class A in full satisfaction, settlement (*dación en pago*), discharge, and release of USD \$1.00 of their allowed general unsecured claims against LATAM Parent.

The amount included in the PCR is the total number of the New Convertible Notes Class A distributed during the reporting period.

***New Convertible Notes Class C***

Pursuant to the Plan, unsecured creditors of LATAM Parent could elect to receive New Convertible Notes Class C in settlement of their allowed Class 5 general unsecured claims against LATAM Parent. Class 5 creditors electing this treatment received USD \$1.9095 in principal amount of New Convertible Notes Class C in exchange for (i) full satisfaction, settlement (*dación en pago*), discharge, and release of USD \$1.00 of their allowed general unsecured claims against LATAM Parent, plus (ii) additional cash consideration paid by the creditors of USD \$0.90954 for every USD \$1.00 of their claims.

The amount included in the PCR is the total number of New Convertible Notes Class C distributed during the reporting period, which is comprised of the amount of the Class 5 claims and the additional cash consideration paid by the creditors during the reporting period.

***New Local Notes (Series F)***

Pursuant to the Plan, Class 5 creditors that elected Class 5c Treatment received, in full satisfaction, settlement (*dación en pago*), discharge, and release of their Allowed Class 5 Claims a pro rata share of the New Local Notes (Series F) denominated in Unidades de Fomento ("UF"), a local Chilean inflation-indexed currency.

The amount included for the New Local Notes (Series F) in the PCR is the USD equivalent of the New Local Notes (Series F) in UF, converted using the implied rate resulting from dividing the final, approved amount of Series F Subordinated Notes in UF (UF 3,818,042) by the USD equivalent pursuant to the results of the Class 5c election process (USD \$130,239,759.12).

**Part 2: Preconfirmation Professional Fees and Expenses.** The amounts identified in Part 2 of LATAM Parent's PCR (Preconfirmation Professional Fees and Expenses) have been derived, in part, from certain orders entered in these Chapter 11 cases allowing and authorizing payment of certain professionals' fees and expenses as set forth therein. These payments represent payments made after the Effective Date for expenses incurred prior to the Confirmation Date.

**Part 3: Recoveries of the Holders of Claims and Interests under Confirmed Plan.** Payments, if any, made on or immediately prior to the Effective Date on account of Allowed Claims and equity interests are not included in Part 3. Any such payments were included in the last monthly operating report ("MOR") filed on December 15, 2022.

The Total Anticipated Payments Under the Plan included in the PCR have been calculated using the expected payment amounts for the allowed claims, including cure and assume payments pursuant to Exhibit D of the Reorganized Debtors' Plan Supplement. These payments include cash, New Convertible Notes Class A, New Convertible Notes Class C, and New Local Notes (Series F). The allowed claims presented in this section of the PCR reflect all claims allowed via court stipulations and/or omnibus objections.

Please note, the allowed general unsecured claims presented in the LATAM Parent PCR are less than the Total Anticipated Payments Under the Plan to general unsecured creditors because such payments include the New Convertible Notes Class C issued to creditors electing Class 5b Treatment in exchange for additional cash consideration over-and-above the amount of the underlying claims.

**Part 4: Questionnaire.** The Bankruptcy Court entered an Order for a Final Decree closing LATAM Parent's case on June 29, 2023. Therefore, this is the last PCR report for LATAM Parent. The 37 subsidiary debtors' cases were previously closed on December 14, 2022.
